

Pass The Prize

- 1) Mom has the prize, but it's not hers
Pass to the one with the biggest purse.
- 2) Miss, you may have the largest load,
But who here traveled the longest road?
- 3) We're so glad you came so far,
But which one has the brightest car?
- 4) We can see you a mile away,
But who woke up earliest today?
- 5) The early bird gets the worm,
But which girl has the newest perm?
- 6) Your hairdo does look really great.
But whose birthday's closest to this date?
- 7) We hope your wishes aren't belated,
But to mom, who here's the closest related?
- 8) You ladies do make me see double
But let's vote: whose mouth gets her in trouble?
- 9) Let's give out a bunch of roars.
It says right here: the prize is yours!
